- Pigment aqueous inks

- 12.75" print width

- Full-bleed on #10 envelopes

- User friendly printhead replacement

- Pneumatic lift for print module (up to 1.5")

- Specially designed base with spittoon

Introducing an all in one system from Kirk-Rudy. The FireJet combines the heavy duty system of Kirk-Rudy and the reliability of MemJet

What does it do?

The FireJet 4C is a cost-effective system for printing on a variety of mediums such as envelopes, postcards, gift bags, flyers, posters, napkins, coffee sleeves and even coasters at exceptional quality. The newest innovation from Kirk-Rudy is an all-in-one printing system that combines the heavy-duty system that Kirk-Rudy is famous for, along with the quality and reliability from Memjet integrating their new DuraFlex technology. This new type of inkjet printer offers a profitable alternative to the smaller desktop and toner-based digital colour printers on the market today, as well as a low cost alternative to larger production press systems.

Why do you need it?

The FireJet 4C is a cost effective system for printing a variety of mediums such as envelopes, postcards, gift bags, flyers, posters, napkins, coffee sleeves and even coasters at exceptional quality.

KR519F50	220V	30	1	50/60

Optional Extras
AMS supply a range of options to create a complete printing system such as a friction feeder and shingle conveyor. AMS also supply read and print applications and data and barcode verification applications. These applications consist of a number of scanners, cameras and software that can be built in to the printing system. If you have a bespoke requirement, this can also be programmed into our internally created codesort software.

Why choose an AMS Printer?

AMS is one of the UK's leading suppliers of printing & packaging equipment. As well as having a dedicated team of knowledgeable experts to offer advice and bespoke solutions to suit your printing needs, we have a well-trained customer support team, and a highly skilled team of field engineers to support you after your purchase.
Our reliable and efficient after-care support service is provided to ensure you get the most out of your purchase. We also offer a comprehensive range of technical support and service packages that cover both equipment and software.
